

# Jolie Earrings

## MATERIALS

- 4 feet of 6 lb. FireLine
- About 50 size 11/0 seed beads
- 12 size 3mm beads (any type size 3mm bead will work—Minos® beads, fire-polished beads, round beads, crystals, etc.)
- 4 Arcos® Par Puca® beads (referred to as Arcos beads within the Step text)
- 2 size 6mm two-hole beads (Czech two-hole Cabochon beads, Silky beads, Honeycomb beads and DiscDuo beads work great)
- two small (2-4mm) closed jump rings
- a pair of earring findings

**STEP 1:** Thread your needle with about 2 feet of FireLine.

Leaving about a 5-inch tail that you can weave in and make disappear at any time, string two seed beads and three 3mm beads.

Tie the beads in a circle with a tight double knot:

**STEP 2:** Go back around through the beads that you strung in the first step, grab your tail thread and tie another tight knot:

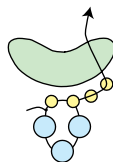

**STEP 3:** Go back across through the two seed beads highlighted in **RED**:

**STEP 4:** String two seed beads.

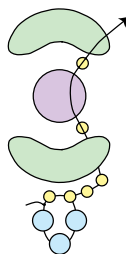

Go up through the right hole of an Arcos bead:

**NOTE:** Although Arcos beads have three holes, you'll only be using the two outside holes for this design. Just ignore the middle hole.

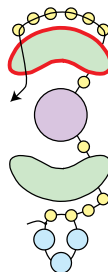

**STEP 5:** String a seed bead and go up through the right hole of a two-hole bead.

String another seed bead and go up through the right hole of a new Arcos bead:

**STEP 6:** String six seed beads.

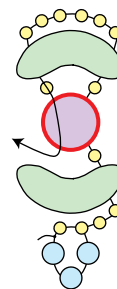

Go around the top of the Arcos bead that you just exited (highlighted in **RED**) and then down through the left hole of this same Arcos bead:

**STEP 7:** String a seed bead.

Go down through the left hole of the two-hole bead highlighted in **RED**:

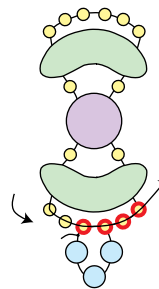

**STEP 8:** String a seed bead.

Go down through the left hole of the Arcos bead highlighted in **RED**:

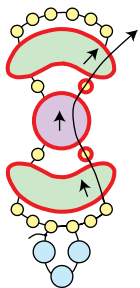

**STEP 9:** String two seed beads.

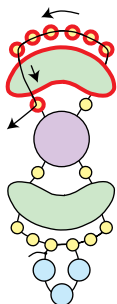

Go across through the four seed beads highlighted in **RED**:

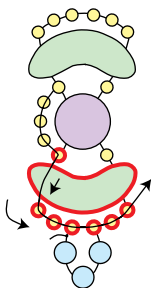

**STEP 10:** Go back up through the right hole of the bottom Arcos bead, the seed bead above, the right hole of the two-hole bead, the seed bead above and the right hole of the top Arcos bead highlighted in **RED**:

**STEP 11:** Go back around through the six seed beads, the left hole of the Arcos bead and the seed bead highlighted in **RED**:

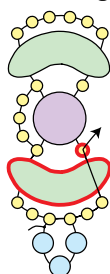

**STEP 12:** String three seed beads. Go around the two-hole bead and then down through the seed bead, the left hole of the Arcos bead and the six seed beads highlighted in **RED**:

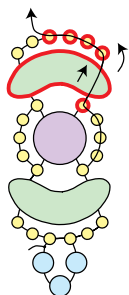

**NOTE:** Unfortunately, not all size 11/0 seed beads are actually the same size. If three seed beads doesn't seem like enough to wrap around the two-hole bead in Step 12 and 14, just add four seed beads instead.

**STEP 13:** Go up through the right hole of the Arcos bead and the seed bead highlighted in **RED**:

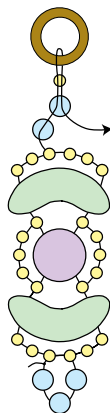

**STEP 14:** String three seed beads. Go around the two-hole bead and then up through the seed bead, the right hole of the Arcos bead and the four seed beads highlighted in **RED**:

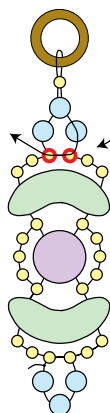

**STEP 15:** String two 3mm beads and a seed bead.

Go around through your jump ring and then back down through the seed bead and the second 3mm bead that you just strung:

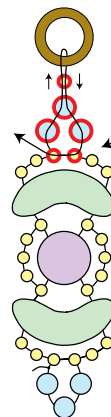

**STEP 16:** String another 3mm bead.

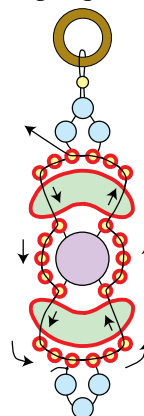

Go across through the two seed beads highlighted in **RED**:

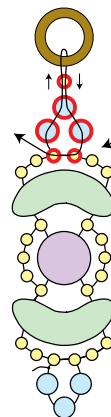

**STEP 17:** Go back around through the beads highlighted in **RED** and the jump ring:

**STEP 18:** Go back around through the beads highlighted in **RED**:

**STEP 19:** Go back around through the beads highlighted in **RED** and the jump ring:

Weave back into your earring, knot and cut your thread. Attach your earring finding to the jump ring.
